DAY 02 : Amman - City Tour – Jerash – Ajloun – Amman

This morning discover the highlights of Amman. Visit the ruins of the hilltop Citadel, the impressive Roman Amphitheatre and enjoy a wander through the city's vibrant souks before heading to West Amman. A contrast from downtown Amman, this area is home to a plethora of upmarket hotels, high-end restaurants and lively bars along with some of the city's most attractive residential neighborhoods. Continue with a walk along atmospheric Rainbow Street which offers a wealth of dining options, cafés and quirky shops.

Next head to the ancient city of Jerash, often referred to as 'Pompeii of the East', this is one of the best-preserved classical cities in the region. Enjoy a wander around the remarkable ancient ruins including visits to the Oval Plaza, the Temple of Zeus and the South Theatre, the larger of the two theatres, seating more than 3000 spectators.

Continue with a drive through pine forests and olive groves, to reach the city of Ajloun then proceed to the castle. Ajloun Castle (more formally known as Qal'at Ar-Rabad) was built by one of the Islamic governors under Saladin in 1184 AD to control the iron mines of Ajloun. The castle enjoys a great location offering bird's-eye views over the surrounding countryside and over three major wadis (valleys). Overnight in Amman.

DAY 03 : Amman Madaba – Nebo – Shobak – Petra

This morning drive out of the city to Madaba (38km / approx. 45 mins). Madaba, otherwise referred to as the 'City of Mosaics' is best known for its collection of Byzantine-era mosaics. The most famous of these is the mosaic map of Jerusalem and the Holy Land which can be found on the floor of St George's Church.

Continue with a visit to Mount Nebo, one of the most important biblical sites where it is believed that Moses first sighted the Holy Land. A small Byzantine church was built on the site by the early Christians, and has since been expanded into a vast complex. During his visit to Jordan in 2000, Pope John Paul II held a sermon here that was attended by over 20,000 people.

Your final stop today is a visit to Shoubak castle (240km / approx. 3 hrs). Perched on a rocky hilltop, this imposing fort was built by the Crusader King Baldwin I of Jerusalem in AD 1115 to guard the road linking Syria and Egypt — the old King's Highway. It successfully withstood numerous sieges until it fell to Saladin's troops in 1189. Enjoy a wander around the remains of this old castle and admire the spectacular views across the barren landscape.
